

Why fundraise for your American Cancer Society?

With your help, the American Cancer Society is fighting for every life threatened by every cancer, in every community. Here's how we put dollars raised to work:

- Your donations are helping us find cancer's causes and cures through groundbreaking research.
- Your donations help discover new ways to prevent cancer or find it at its earliest, most treatable stage and help people take steps to stay healthy.
- Your donations allow us to do the most to help people with cancer today.
- Your donations help our nonprofit, nonpartisan advocacy affiliate, the American Cancer Society Cancer Action Network (ACS CAN), fight cancer through public policy.
