Dear Mrs. Ebke:

Enclosed is my donation toward the support of the Bonham Theatre Project.

I grew up in Fairbury, not without being an avid Bonham attendee, being "held" by dramas, melodramas, mysteries, westerns, comedies, musicals, horrors, swashbucklers, serials, newsreels, & previews of coming attractions! In addition, I recall with fondness my days as an usher at the Bonham during my late 'teens, the late 1940's, under Ira Crain, manager.

It is therefore with pleasure that I extend this donation to "my old friend," the Bonham Theatre, with every good wish for its successful restoration.

Devotedly -
